

Human IL-15 Recombinant Protein

Product Information

Product Name

Human IL-15 Recombinant Protein

Category

Protein Product

Unit Size

10 µg

Species Reactivity

Human

Class

Recombinant protein

Conjugate

Unconjugated

Form

Lyophilized

Purification

Affinity chromatography

Storage Buffer

5mM tris, pH 8.0

Contains

no preservative

Storage temp

-20° C, Avoid Freeze/Thaw Cycles
