

Gateway pDEST 8 Vector

Product Information

Product Name

Gateway pDEST 8 Vector

Research Area

Gateway destination vector

Application

Bac-to-Bac

Protein Tag

Untagged

Unit Size

6 µg

Cloning Method

Gateway

Colony screening

lacZ gene

Promoter

Polyhedrin

Vector

pDEST, Gateway Baculovirus Vectors

Recommend Cell Line

Sf9, Sf21, and High Five

Form

All destination vectors are provided lyophilized and supercoiled

Contents & Storage

Gateway pDEST 8 Vector

Gateway pDEST 8 Vector 6 µg
