

## 6xHis Expression and Purification Kit

### Product Information

---

**Product Name**

6xHis Expression and Purification Kit

---

**Research Area**

Protein expression kit

---

**Application**

BaculoGold

---

**Protein Tag**

His Tag (6x)

---

**Unit Size**

1 Kit

---

**Subclone Construction Method**

Restriction Enzyme / MCS

---

**Recombination Method**

Homologous Recombination

---

**Promoter**

polyhedrin

---

**Related Vector**

pAcHLT-A,B,C Baculovirus Transfer Vector Set

pAcHLT-XylE Baculovirus Control Vector

---

**Recommend Cell Line**

Sf9

---

**Contents & Storage**

1. Linearized BaculoGold Baculovirus DNA □2.5 µg□

## 6xHis Expression and Purification Kit

2. pAcHLT-A,B,C Baculovirus Transfer Vector Set □20 µg each□
  3. pAcHLT-XylE Baculovirus Control Vector (5.0 µg)
  4. Thrombin Powder ( 20 mg (1000 U))
  5. Thrombin Dilution Buffer ( 1 ml)
  6. Protease Inhibitor Cocktail (lyophilized)
  7. 1x Insect Cell Lysis Buffer □50 ml□
  8. His Purification Resin □10 ml□
  9. 6xHis Elution Buffer □40 ml□
  10. 6xHis Wash Buffer □250 ml□
  11. 3M Imidazole Solution 125 ml
  12. Transfection Buffer A&B Set 5 ml each
  13. Baculovirus Procedures & Methods Manual 1
